

OUR ATTORNEYS

Stephanie E. Woltkamp

Stephanie always seems to be ahead of the times—whether appearing on America’s Funniest Home Videos as a kid or earning her law degree after only 2 ½ years. Still, she brings to Wallace Saunders a deep background in problem solving, especially in cases involving transportation matters or complex construction disputes. And having represented clients through her law school’s Criminal Defense Clinic, she’s no stranger to the courtroom. With Stephanie on their side, clients reap the benefit of her considerable knowledge, experience, and intense personal investment, as well as her ready sense of humor.
