ATTORNEYS AT LAW

PRACTICE AREA

Insurance Agents and Brokers

Insurance agents help individuals, families, and businesses find and obtain proper insurance protection. But statistics show that insurance agents are ranked fourth on the list of the most often sued professionals. If your clients end up facing a problem with insurance coverage, they can file a lawsuit against you, endangering your career and your income.

With the firm's deep experience in insurance matters, Wallace Saunders' attorneys can help shield you against any claim, real or perceived, that arises from the sale or servicing of an insurance product.
