ATTORNEYS AT LAW

PRACTICE AREA

Attorneys

We've lived through hundreds of claims side by side with lawyers as our clients. What we know from experience is that dealing with legal malpractice claims takes you away from the practice of law.

Furthermore, disciplinary complaints made against lawyers and law firms threaten not only an individual attorney's ability to practice law but also the firm's capacity to operate effectively. That's why we take our collaboration with you on such claims so seriously.

Whether you're confronted with a malpractice lawsuit or a disciplinary proceeding, you can rest assured that Wallace Saunders is prepared to tackle the most difficult professional liability issues with the tools necessary to make the best decision for your situation.
