ATTORNEYS AT LAW

PRACTICE AREA

Directors and Officers

Whether your business is publicly traded or privately owned, a corporation or an LLC, a partnership or a sole proprietorship, its leaders must perform their duties with undivided loyalty and in a reasonable, prudent and businesslike fashion. Doing anything less may expose the directors and officers to personal liability.

But even sound business judgments can be second-guessed, and there may be ulterior motives for criticizing management. Whether you're facing issues of regulatory compliance or corporate governance, or are embroiled in litigation over business decisions or employment practices, Wallace Saunders' Directors and Officers Practice Group lawyers work hard to keep your sights trained on the business of doing business.
