ATTORNEYS AT LAW

PRACTICE AREA

Wills, Trusts and Estates

Preservation and protection. The premises are simple. Navigating them can be complex. At Wallace Saunders, we focus on details, turning every stone to preserve your hard-earned wealth. We protect you, your family and your business. To us, it's more than a job – it's a duty we take to heart.

No matter your worth, it's vital to have an estate plan in place. Your plan can include your will, power of attorney and living will. For some, a trust is also a valuable component of the estate plan, used to put conditions on distribution of assets. Trusts can reduce taxes, bypass probate costs, and provide full privacy. Trusts are especially important in estate plans for business owners.

Whether it's creating a new estate plan or updating an existing one, you can count on Wallace Saunders.
